I begin and end what I say in the name of Allah, the Gracious, the Merciful. Allah is sufficient for us, and is the Best Trustee.

Here comes, Adel Daoud, sui juris, with a supplement to my last sentencing Memorandum. This is my situation:

He's been indicted

The general decided

The paper incited

He must be guilty

T The agent presumed

Prosecutors consumed

The judge assumed

We're sure he's guilty

Doesn't matter what we saw

We'll simply change the law

Call it the final straw

We think he's guilty

We have him on a call

It maybe to congressional hall

Our goal is to make him fall

Because we believe he is guilty

T The trial would be perfect

When guilty is the verdict

Even if the evidence is suspect

Nevermind, we find him guilty

But he only spoke his mind
To people of every kind
Justice may be blind
But it's been hard to find
Because he's innocent [1]

Vino, the Gangster snitch, testified,
"The FBI agents told me to make sure I was not pressuring Daoud
to have the FBI agent killed." [2]

"to the best of my knowledge, once Daoud and I were moved to
the cell with the recording equipment, all of our conversations
in our cell were recorded, including all of our conversations
about having the FBI agent killed..." [3]

"it was not my idea or suggestion to have the FBI agent killed"
[4]

"Q... did you force Daoud to make that call? [to kill the agent]
A No sir " [5]

"And he's a small person in stature, so, you know, being in
jail he would be considered prey immediately to people because...
so I kind of protect^{-ed} him, and I made him feel comfortable with
me."

Q Okay. Are you afraid that he might kill you now?

A.No. I'm not particularly worried about him." [6]

"You had said that you made him feel comfortable, made Daoud

feel comfortable. Did you do that at the direction of law enforcement?

A No not -- not 100 percent. But after, you know, in the beginning it's just like, you know, I didn't really want to see him get messed over until I really found out he was a terrible person."

[7] Compare to quote pg. 93, Ref. FN 183

"Q So you're telling us that here's an 18-year-old kid in your cell, you're taking him seriously, his ranting about Israel, according to your notes?

A Yes. And in the beginning, yes. I took him seriously kind of almost immediately because he's very... he's dedicated to his religion.... " [8]

"Q You weren't motivated by money, or in this case leniency from the government?

A In my situation, you know, any consideration would always be a motivation. But my -- the main motivator for me was that the person could be particularly be dangerous to the community. You know, if he was released or if he was able to make, you know acquaintance with someone else that could carry out these things for him, he might actually be dangerous." [9]

Vino is on the phone, while in Kankakee county jail, with his wife. He wanted to read her his letter, but he forgot to bring it. He told Daoud to go get his letter; the cell is locked.

Vino: Hello? Taliban [Daoud] gonna get in that mother fucker

Wife: Ooo! How he gonna get in?

Vino: Man... shit... I don't know. Probably gotta get some terrorist

slip up his sleeve... (shouts: Hey Chilongo! Push the button!
Tell him to hit [cell] ten for me!) Hello?

Wife: mmhmm?

Vino: Yeah he a terrorist... he gonna get in...

Vino: Do I look like a pushover to you? Man, I don't look like

Wife: - I didn't - I didn't say that.... I never said that sir

Vino: I told his ass: (feigns accent): You don't know. [Daoud:]

Wife: (laughs) You ignorant

Vino: Yeah... terrorist ass boy....

Vino: (feigns accent) You don't know if I'm gonna fight you
, or you don't know if I'm gonna stab you

Wife: Ooo...! You better not stab no body! [12]

Vino doesn't care about the neighborhood. Just his family.
He doesn't care about Daoud. [He threatened to stab him]. He's
ready to "fuck over" everyone and anyone to go back home to the
love of his life...

Vino: You're my everything all the time, but sometimes you really
make me want to punch you in your fuckin face.

Wife: He just said he want to punch my fuckin face, Delyne!

Vino: Why are you steady trying to hear what I'm saying? I'll

Wife: He threaten me over the phone!

Wife: What they gonna know?

Wife: What boy?

Wife: (sighs) yup. Because you wanna know why? Cuz you not doing nothing. That's exactly why I feel like I'm doing everything I need to be doing right now.

Vino: Because I'm not doing nothing?

Wife: Cuz you not doing nothing

Vino: But that's part of this this this team that we got though when I got -

Wife: - No it's not . It's a team, it's 2 people. One (vino:right) person aint doing nothing. (Vino:right) If one person person aint doing nothing, then it aint no team

Vino: So if it come a time where you can't do nothing I'm supposed to double right?

Wife: Naw...

Vino: What I supposed to do? When you can't do nothing?

Wife: I aint even gonna say waht I was gonna say. I don't wanna start an argument no more

Vino: Ay, what were you gonna say?

Wife: Uh uh [i.e. no]

Vino: You might as well say it. What was you gonna say? When you can't do nothing what I'm supposed to do?

Wife: For yourself, I guess!

Vino: So why did you marry me Muffin?

Wife: (sighs)

Vino: Mm?

Wife: Here we go with this! REally?

Vino: That's what I'm saying. Yeah really though ^{because} ~~because~~ you
saying like you by yourself though and I'm by myself, then why
the fuck if we even married? Like how we if together, if we by
ourselves?

Wife: Why are you cussing? Who are you cussing at? (crying or
about to cry)

Vino: Cuz I'm not trying to get upset, man. Why if we even married
if we by ourselves, but how is we together if we by ourselves?

Wife: (sighs) Man...!

Vino: Huh?

Wife: I said... your question was what?

Vino: When you can't do for yourself and when you can't do nothing,
I'm supposed to do double. Because that's where we, that's what
it is, it's us vs. everybody. It's just us. You know what I mean,
it's us.

Wife: and I said what?

Vino: You said I'm supposed to do for myself

Wife: (laughing and crying) Oh... man... (quietly: Jesus I'm
saved!)

Vino: And you call me, you say another motherfucker though,
you clicked to say I'm childish, right? When you the most childish
of us all!

Wife: That's your opinion

Vino: For real though, cuz you get a little attitude and then
you say shit that you don't mean and you know what I mean --

Wife: -- What had I said that I ^{didn't} ~~didn't~~ mean?

Vino: You said we should separate, or you should just do for
~~yourself! Uh, all the shit that you don't mean and you~~

yourself! Uh, all the shit that you say that you don't mean it

Wife: How don't you know that I'm not just fed up?

Vino: You know... cuz I know you're not--

Wife: How do you know that? Mm?

Vino: Cuz I know. I know. I'll know when you're fed up

Wife: Really?

Vino: Yeah...

Wife: Mm

Vino: One thing I know for sure about you; you know how to make your final shit. If you know, all you need to do, I'ma call, and then it's gonna say: This number is no longer in service. And then I guess like damn she fed up

Wife: Oh... that's it?

Vino: Yeah... that's all it take. I aint gonna go - I aint gonna call and get your new number from nobody if you don't want me to have your new number... you know (wife: mumbling) how to do it, I think you'd tell me though you fed up like that, you just said I can't do it, I don't know what you would do, but I don't think, I think I would know, but, anyway. Listen man, stop playing with me ok?

Wife: Mmhmm

Vino: You're not gonna stop playing with me?

Wife: I'm not playing with you, but I'm aint gonna stop being serious

Vino: You're not gonna start being serious?

Wife: (sighs) I'm not gonna stop being serious

Vino: When you serious?

Wife: Right now. What you mean?

Vino: What you serious about?

Wife: All types of stuff. What I said. Whatever I say out of my mouth

Vino: ... (sighs) So if I get out today, and went on Rockwell, how long would it take for you to --

Wife: -- you think what I'm saying that we wouldn't know happen if you get out today. (Vino:Right) We don't even know when you getting out

Vino: I do know. But I (you'll see) --

Wife: -- (same time: You don't) know nothing

Vino: Ok. You'll see

Wife: You know that, sometime be, you praying that sometime you be out before Christmas

Vino: Ok

Wife: That aint knowing when you getting out

Vino: Alright... Well anyway, Look

Wife: Exactly

Vino: So would you bust the windows and shit in Rockwell?

Wife: Uh-uh. For what?

Vino: You would just let me live there?

Wife: Mm hm

Vino: and I can see the babies every day?

Wife: Every day? Yeah if, if you got a car to get them, you sure can

Vino: Ok... So that's what you want me to do?

Wife; Yup

Vino: You lying?

Wife: Mm, uh-uh [i.e. no]

Vino: Yes you is

Wife: I'ma show you that I'm not lying

Vino: Uh, what you're gonna do?

Wife: Don't worry about it

Vino: Tell me how you gonna, show me so I could know

Wife: No. I don't need to show you, to prep you, no.

Vino: So you don't love me no more then? Right?

Wife:(sighs)

Vino: Huh? Huh?

Wife: Vino. Stop asking me that

Vino: Why not?

Wife: Hmm... I'm sleepy

Vino: Ay but look, though, alright. You hear me?

Wife: What

Vino: So what you trying to say though, is that what I can't do for myself, I can't depend on you?

Wife: (sighs) If you can't do for yourself then you don't want to do for yourself

Vino: I'm saying right, but this is what I'm, I'm (UI)

Wife: That's how I take it

Vino: So when I get out

Wife: you...

Vino: So when I get out right, you know what I mean? The first day I get out, you saying like, you said you don't want me to go outside, you don't want me to do nothing, that type of shit, right?

Wife: You going on Rockwell, so it don't matter

Vino: No I'm not, I'm not even gonna, we not even (fight) --

Wife: (same time: yes) you i¹⁶

Vino: Look. SHut up. Shut the fuck up --

Wife: No. See that's your problem. Nope. You shut up

(Both talking same time)

Vino: Because you wasting time now, and you aggravating me cuz you saying nothing. You know what I mean, and that's not even up for debate no more -

Wife: and I'm ju¹⁷st saying nothing

Vino: Yeah, we not gonna even talk about that becau¹⁸se the thing is this though right. You know what I mean? I told you the things that you know, that you doing to make me feel, I guess you can say i¹⁹nsecure about, or like, you know, like you doing something. I told you the things you doing and if you ²⁰stop doing those things then I would feel better, everybody would feel better man, and you need to stop saying shit like -

Wife: (crying) Who is everybody? Aint nobody uh... hurt but you, you the only one acting like you hurt. So something (vino talking) what you hurt f²¹or?

Vino: Because I'm in love and I put my trust²² and everything into you and I would feel betrayed if you betray my trust, you know, not to do that becau²³se look like what I told you, you know, uh I, I, her, we had a beatiful relationship and all that, but our friendship is the better thing out of it. You know what I mean? We was good friends, I really like that's what strengthns our relationship that we had-

Wife: Ok, well we gonna be friends then

and we gonna go back to being friends (Vino: talking)

Vino: Huh?

Wife: We gonna just go back to just be being friends, and that's it

Vino: Well, ~~u~~alright. Look. I'm not gonna argue with you and I'm not gonna even let you get me mad~~w~~ith thi^s shit. But, I'm saying, you know, if you do the things that I need you to do. You know like, you know what I mean? like to not answer your phone shit, and you know what I mean, and you know, I don't know, just the shit that, you be doing that make it seem like you know, like you got somebody else. Then I'd be more comforta^gble with the situation. And then if a long time, you know what I mean? I've been in jail. So naturally I feel like, you know, and now all the sudden, it seems like you losing interest. You know what I mean? YOu been like 100% into it the whole time and now all the sudden it's like you losing interest

Wife: Yeah, bored. Yeah [N^Ote: She's being sarcastic]

Vino: That's what happened? You got bored?

Wife: Mm hmm

Vino: So what is you doing though, that th^at's taking up your time though? That you just bored with it or i^f something consuming your time, what is it?

Wife: Just bored

Vino: So... but honestly though if you was did with someone el^{se} though you would tell me?

Wife: You would have knew

Vino: You would have told me immediately, you would of told me -

Wife:- you would have knew

Vino: I would have knew?

Wife: Mm hmm

vino: You promise? CAN you ~~is~~ swear that on the babies? [...]

Wife: You acting like a kid right now

Vino: I feel like a kid right now because, you know ^{what} ~~ah~~ I mean? I'm upset, you know, really, like, you know, but it aint really like, you know, it's crazy but, I love you though, man. I don't wanna fight, you know what I mean? And it's just, I don't wanna home to, you know what I mean? It's like I don't wanna come, and you wishing I wasn't thre, and you know what I mean? I don't want it to be like that. YOU know you told me how it was when buddy got out of jail and shit and you was like, you know, you really didn't want him there. So when you say that type of shit, I kinda, you know, everything you say I take, I take it with enough, seriously enough, you know what I mean? To, you know, I don't never forget it. I remember. Like, man, she said that though, she may have meant it. Sometimes, I know, that you just get mad and and you get frustrated, you just say shit, you know. I do it too. But, you know what I mean? I be really wanting to know like you if you really didn't want me to be there, would you tell me? Instead of or-

Wife:- I'm telling you

Vino: Aight, well, not right now though. Fuck what you telling me right now-

Wife: you telling me- no no no - exactly what's the point of me telling you something if you don't take me serious? [Note:

Vino doesn't take "no" for an answer!]

Vino: I will take you serious, but I know right now you--

Wife:- Alright, take me serious and I'll, I, I'm not just saying

that

Vino: So you don't want me to come home to you?

Wife: Mm mm

Vino: On the babies, you don't?

Wife: Yeah, on the babies, I don't

Vino: You don't love me no more?

Wife: I just don't want you there. Like you need to get your mind right

Vino: So you think I need to go on Rock well, for a little while, for real?

Wife: Mmm hmm

Vino: Then, we gonna try to work it out later?

Wife: I don't know

Vino: Ouh, look. I got something else to tell you , right. Well I need to, I'm gonna be knowing if we need to do that or not, though for real, honestly, all bullshit aside, you know What I mean? What you think for real? You think I need to go oever to Rockwell for a little while, or you don't know right now?

Wife: Mm hmm. You need to go on Rockwell

Vino: ^{that's} ~~That's~~ how you feel right now? Or that's you feel in your heart??

Wife: No, that's how I feel, in my heart cuz you don't know what you want. You know, you think you know what you want to do and you don't

Vino: My thing is this though. This is what I want. You know. I told you I don't I need, I be needing you to confirm shit, and like, you not doing it right now. You really putting more doubt in my heart now, you know what I mean? Putting up a, a,
